

### Four Golfers Puzzle

A foursome of golfers is standing at a tee, in a line from left to right. Each golfer wears different coloured pants; one is wearing red pants. The golfer to Fred's immediate right is wearing blue pants.

- Joe is second in line.
- Bob is wearing plaid pants.
- Tom isn't in position one or four, and he isn't wearing the hideous orange pants.
- In what order will the four golfers tee off, and what colour are each golfer's pants?
